Dear Sirs:

PETITION UNDER 37 C.F.R. 1.181 To Withdraw Holding of Abandonment

On October 2, 2003, the Examiner issued a Notice of Abandonment stating that the application is abandoned in view of the Applicant's failure to timely file a proper response to the Office Action mailed on December 23, 2002. Applicant hereby petitions for the withdrawal of the holding of abandonment.

On March 24, 2003, a response to the Office Action of December 23, 2002 was transmitted by facsimile to the United States Patent Office at fax number 703-305-3597. Seven pages were transmitted including a cover sheet having a certificate of facsimile transmission. A transmission report from our facsimile machine indicating successful transmission to the above noted facsimile number and showing 7 pages sent on March 24, 2003 at 14:51 EST is attached as Exhibit A. A copy of the response, as filed, is attached as Exhibit B.

Applicant's representative telephoned the Examiner and indicated that an Office Action response had been transmitted. On June 30, 2003 the Examiner contacted Applicant's representative and indicated that a response to the Office Action dated December 23, 2002 had not been received. Applicant's representative returned the Examiner's phone call and indicated

that a response had been timely filed. The Examiner asked that the response be re-transmitted to 703 - 306-4195. A copy of the earlier transmitted response, including the facsimile transmitted attached hereto was transmitted to the Examiner as requested.

Due to the fact that a response to the Office Action of December 23, 2002 was submitted in a timely fashion, Applicant petitions to withdraw the Examiner's holding of abandonment, and requests that the application be returned to the Examiner for prosecution.

Applicant submits that this Petition under C.F.R. 1.181 does not require a fee.

Respectfully submitted,
VASUDEVA, Kailash C.
